No.F.(446)/CE/WR/W/2018/Part-IV/2535-64

Dated, Agartala the 16th January, 2021.**NOTIFICATION**

Subject: Action Plan of Assured Irrigation for 5(five) years.

During Budget Speech'2020 the Hon'ble Deputy Chief Minister, Tripura has announced that under the "Chief Minister's Assured Irrigation Programme" the target of the state government is to bring 56,000 hectare additional cultivable land under assured irrigation within the next 5 years. Financial resources for this purpose will be pooled from various sources i.e. PMKSY, State Resources, RIDF and Externally Aided Project (EAP) etc.

State Government has constituted "State Irrigation Council" with an aim to bring synergy in the individual efforts of the PWD (Water Resources), Agriculture, Rural Development, TTAADC etc departments in creation and maintenance of irrigation schemes and to formulate a comprehensive plan for optimal irrigation coverage to agriculture land and also to streamline irrigation facilities to boost agriculture production in the State.

Accordingly under active guidance and support of the "Tripura State Irrigation Council" all of the stake holder departments namely the PWD(WR), Agriculture, RDD, TREDA & TTAADC have prepared their five years action plan in a concerted manner for bringing total 65529 hectare agriculture land under assured irrigation by the year 2024-25.

Compiled 5(Five) Years Action plan of all concerned Departments under “CM’s Assured Irrigation Scheme”:
